WARNING:
CHOKING HAZARD - Small parts,
Not for Children under 3 years.

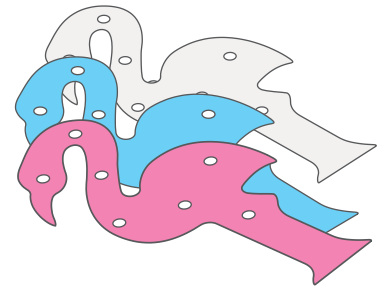

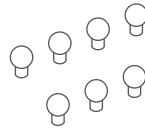

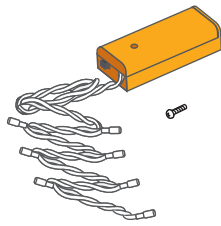

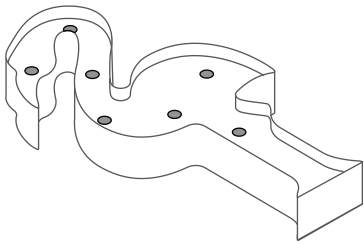

A. SAFETY MESSAGES

1. Please read these instructions carefully before using the product. 2. Adult supervision and assistance are recommended at all times. 3. This kit is intended for children over 5 years of age. 4. This kit and the finished product contain small parts that present a choking hazard. Keep away from children under 3 years of age. 5. Only install batteries after you have assembled the product. Adult supervision is required.

B. USE OF BATTERIES

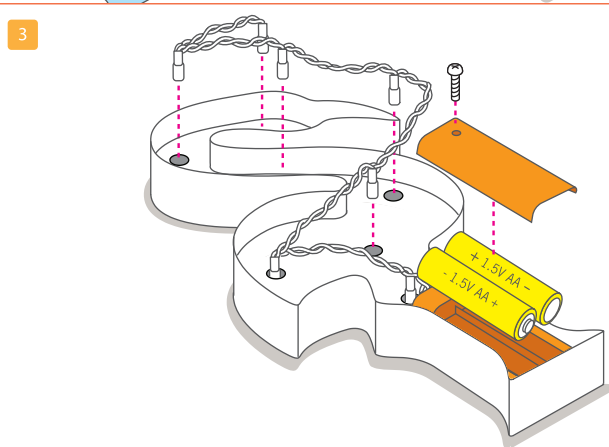

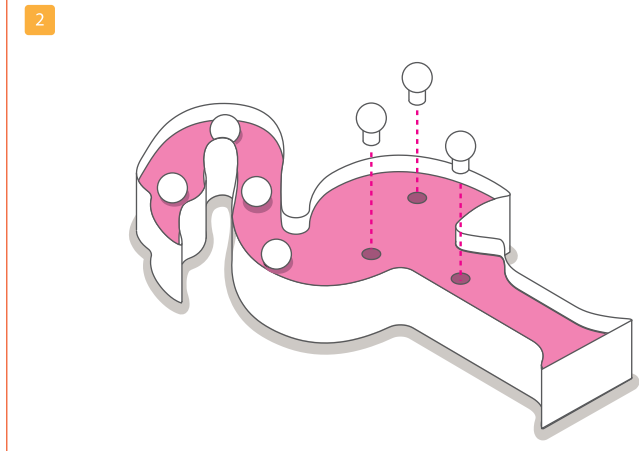

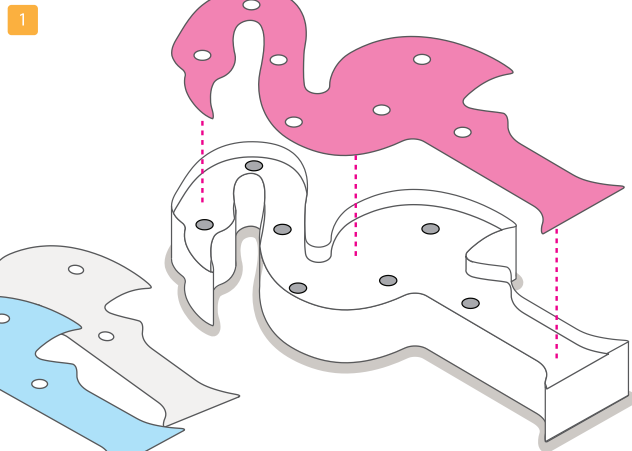

1. Requires two 1.5V AA batteries (not included). 2. For best results, always use fresh batteries. 3. Make sure you insert the batteries with the correct polarities. 4. Remove the batteries from the kit when not in use. 5. Replace exhausted batteries straight away to avoid possible damage to the kit. 6. Rechargeable batteries must be removed from the kit before recharging. 7. Rechargeable batteries should be recharged under adult supervision. 8. Make sure that the supply terminals in the battery case are not short circuited. 9. Do not attempt to recharge non-rechargeable batteries. 10. Do not mix old and new batteries. 11. Do not mix alkaline, standard (carbon-zinc), or rechargeable batteries.

C. CONTENTS

1 flamingo lamp body, 1 string light with 7 light bulbs, 7 light bulb covers, 2 pattern sheets, 1 blank sheet and detailed instructions. (Also required, but not included: a small crosshead screwdriver, two 1.5V AA batteries.)

D. ASSEMBLY

1. Select a template and place it onto the flamingo lamp body. Alternatively, use the plain sheet to create your own design.
2. Insert all the light bulb covers onto the lamp body.
3. Turn the flamingo room light over and slot the string lights into the holes on the lamp body as illustrated. Insert two 1.5 V AA batteries into the battery compartment. Ensure that the batteries are inserted in the correct polarity (the flat, negative end of each battery should rest against the coiled spring). Replace the battery compartment cover and secure it with the screw. Place the battery compartment into the bottom part of the lamp body.
4. Switch on the flamingo room light and let it light up your bedside or favorite seating area.
